## TBK0717

### WHAT'S INCLUDED

- Needed transfers
- Accommodation: 7 nights  
Quito (3) - Puerto Ayora (Galápagos) (4)
- Tours:  
Quito: City tour and Middle of the World  
Galápagos: Turtles Reserve - Scientific Station of Darwin - Lava Tunnels - Tortuga Bay and Lobería - 2 boat rides to other Islands of the Archipelago
- Meals: 7 breakfasts - 2 lunches
- Needed tickets and fees

**Day 1 Quito.** Arrival and reception at the airport. Accommodation.

**Day 2 Quito.** **B L** After breakfast, we start a walk through La Calle Ronda, letting us imagine how local inhabitants used to live in the 1600s. Afterwards, we visit the colonial city of Quito including Santo Domingo Square, the City Museum, San Francisco Square, La Merced Church, the Presidential Palace, the Cathedral

and other important buildings. Our last stop is La Compañía de Jesús Church, one of the most beautiful ones around the world. After visiting Itchimbia, we get at the historical site where Zero Latitude was found in 1736. Lunch at a restaurant. We visit the Ethnographical Museum and the Inti Ñan Museum. Return to the hotel.

**Day 3 Quito.** **B** Day at leisure. We suggest visiting the Handcraft Market of Otavalo, famous for its textiles, tapestries and traditional shops.

**Day 4 Quito / Puerto Ayora.** **B** In the morning, transfer to the airport to board the flight to Santa Cruz, one of the Galápagos archipelago's islands, famous for its numerous endemic species and the studies of Charles Darwin that led him to establish his Theory of Evolution by natural selection. UNESCO declared the Galapagos Islands as a Natural Heritage Site and as a Biosphere Reserve. It is also a National Park and the sea

that surrounds the islands was declared a Marine Reserve. In 2001, UNESCO added other recognitions such as Whale Sanctuary and RASMAR Site (for the protection of wetlands). Once we arrive and cross the Itabaca Channel, we begin the trip to Puerto Ayora. On the way, we visit the lava tunnels, a giant turtle reserve and at Puerto Ayora, the Charles Darwin Scientific station. It is possible, though perhaps unlikely, that among the remaining giant tortoises of the Galápagos Islands, there exists an old-timer that was a hatchling at the time of Charles Darwin's famous visit in 1835. Giant tortoises are the longest-lived of all vertebrates, averaging over 100 years. Modern Galápagos tortoises can weigh up to 417 kg (919 lb). Accommodation.

**Day 5 Puerto Ayora.** **B** In the morning, departure to Tortuga Bay. After a walk, we get at one of the most beautiful beaches of the Galapagos, where we have the chance to rest and

enjoy the place before returning to Puerto Ayora, spare time for lunch. In the afternoon, we go through La Lobería, a posting of sea lions, where we are able to do snorkel. Continue towards Del Amor Channel and De Los Perros Beach.

**Day 6 & 7 Puerto Ayora.** **B L** Excursion by yacht to one of the following Islands: Plazas, Seymour, Bartolomé, Santa Fe or similar. Lunch included. Return to Puerto Ayora.

**Day 8 Puerto Ayora / Quito or Guayaquil.** **B** Transfer to the airport, to board the flight back to Quito or Guayaquil, according to your next destination.

**Operational note:**  
The operation of the tours in Galapagos is subject to availability, changes in the itinerary, operational days, etc.

**To keep in mind:**  
• Excursions in Galapagos are not recommended for children under the age of 5 years old, pregnant women, elderly people or people with limited mobility.
